Chairperson's Report

Hi Everyone,

A few weeks ago, a couple of electronic meetings were "zoom-bombed". I encourage groups to have a group conscience to discuss ways in which they would like to protect themselves if this situation should arise. Sue, our website committee chair, will be conducting a meeting on Saturday March 5th at 11am to discuss security options. Meeting ID and PC are on our website.

Districts that have DR's have agreed to post their approved minutes on the AIS website under "Districts". Districts in need of representation are 19, 20, and 27. Congratulations to Ellen V., newly elected DR for district two.

The AIS Vice Chair position is still open. Responsibilities for this position are on our homepage. If you or anyone you know is interested, please contact me at chairperson@aisrochester.org

NYN has three positions open for Newsletter, Literature and Group Records. Contact chairperson@nynafg.com for further information.

AWSC (Area World Service Conference) is Saturday, March 19 at 9 a.m.

Alateen Meeting Starting

Alateen is starting an in-person meeting on Tuesday, March 1st at 7:30 p.m. at the United Church of Christ, 644 Titus Avenue in Irondequoit, side entrance #1. There is an Al-Anon meeting at the same time.

Last month Pat H. attended the NYN Alateen Networking Group along with Maureen, our Alateen Coordinator, and Robin, a soon to be Al-Anon Member involved in Alateen Service (AMIAS). This monthly meeting is a great place for Alateen sponsors to share their experience and ask questions. Might you be interested in becoming an Alateen Sponsor? Please check out "Alateen" on our aisrochester.org website. The paperwork that is required is under NYN Alateen Service Forms. Contact me if you have further questions.

Volunteer Coordinator Report

The AIS Office is open and following Covid cleaning protocols. The office is open for three times a week. Please visit the AIS website for days and times. Also please call before going into the office. The office phone is checked 2-3 times each day of the week. Since January there have been 14 phone calls received and returned. Most are 12th step and literature requests.

We are well stocked with literature. See AIS website to order.

Webmaster Position Open

AIS is looking for a web designer. The website is designed using html, php, and CSS. AIS has its own hosting account and registered domain names, .org, .net, and .com. The site runs on a cPanel server. We are looking for someone who can work with the existing site to do updates, additions, email setup, maintenance, and working with cPanel. If interested, please reply to website@aisrochester.org

Please discuss within your groups as a possible community service project. Below is an example of a beautiful display at a library.
