

Greater Rochester Area AIS Service Center

March 2020

Special Edition

With all the changes going on in the world and Rochester we are working to keep the Rochester AIS area informed.

The Al-Anon Information Services of Rochester covers a large area consisting of Districts 2, 14, 19, 20, 27, 25 and 29. This covers west of Batavia, south of Portageville, east of Wolcott and southeast to Naples.

There are 60 meetings in this area, and we are communicating with all of them, however there are many that we don't have any information on. So, when you receive this newsletter please share it with others. Also let them know that they can go to the AIS website at aisrochester.org and click on the Contact Us menu link so they can sign up for the newsletter.

As I have said above there are many changes going on and as we have current information the AIS website will be updated on a daily basis.

On Saturday March 14th, at our monthly meeting, the decision was made to postpone the Tureen Supper from March 29, 2020 to June 7, 2020 depending on the current status of the COVID-19 virus. Attached is the updated Tureen Supper flyer.

If your group has been working on a Basket or donation for the Tureen Supper, please save it for the June date.

Additionally, if you are aware of meeting changes please contact the Webmaster at website@aisrochester.org. All updates will be added as soon as received each day.

We are also posting current information with regard to Al-Anon and AA functions. This information can be found at the Activities link on the website under; AIS Activities and Conventions links.
